

## FACULTY OF AGRICULTURE

**5B060800 - “The Department of Ecology”**

**5B080100, 6M080100, 6D080100 - “Agronomy”**

**5B080700, 6M080700, 6D080700 -“The Department of Forest Resources and Forestry”**

**5B080800, 6M080800, 6D080800 - “The Department of Soil Science and Agricultural Chemistry”**

**5B081100, 6M081100, 6D081100 - “The Department of Plant Protection and Quarantine”**

**Field of activity of specialists:** agricultural enterprises of various forms of ownership; quarantine protection services; environmental police; district, regional and republican services of the Ministry of Agriculture of the Republic of Kazakhstan; research institutions.

## FACULTY OF LAND MANAGEMENT, ARCHITECTURE AND DESIGN

**5B071100 - “Geodesy and Cartography”**

**5B090300, 6M090300 - “Land Management”**

**5B090700, 6M090700 - “Cadaster”**

**5B090800 - “Assesment”**

**Field of activity of specialists:** Land Resources Management Agency regional offices; State design and scientific research institutes for land management; enterprises, organizations and institutions engaged in economic and legal activities related to the purchase and sale, assessment, pledge and leasing of land sites and real estate; rendering assessment services in the field of land management, state cadastral registration, state cadastral land assessment, market assessment of land and other real estate items.

**5B042000 (5 years), 6M042000, 6D042000 - “Architecture”**

**5B042100 (5 years), 6M042100 - “Design”**

**Field of activity of specialists:** state and private designer companies; city and regional departments of architecture; advertising and model agencies; higher and secondary specialized colleges; research institutions.

## FACULTY OF VETERINARY SCIENCES & ANIMAL HUSBANDRY

**5B070100, 6M070100 - "Biotechnology"**

**5B120100 (5 лет), 6M120100, 6D120100 - "Veterinary Medicine"**

**5B120200 (5 лет), 6M120200, 6D120200 - “Veterinary Medicine”**

**5B080200, 6M080200, 6D080200 - "Technology of production of livestock products"**

**5B080300, 6M080300 - "Hunting and fur farming"**

**5B080400, 6M080400 - "Fish farming and industrial fishery"**

**Field of activity of specialists:** agricultural enterprises of various forms of ownership; Customs and Border Protection; laboratory of determination of quality agricultural goods; meat packing house; fur farms; research institutions research institutions vet labs; Transport Customs; border checkpoints; veterinary control services; higher and secondary specialized colleges.

## **DEPARTMENT OF COMPUTER SYSTEMS AND VOCATIONAL TRAINING**

**5B012000, 6M012000, 6D012000 - “Vocational Education”**

**5B070300, 6M070300, 6D070300 - “Information Systems”**

**5B070400, 6M070400 - “Computer Engineering and Software”**

**Field of activity of specialists:** information, computer and statistic centers management; banks; education institutions; research institutions; of production; institutions of economy, of finances, of business; work-study sphere.

## **TECHNICAL FACULTY**

**5B071300, 6M071300, 6D071300 - “Transport, transport equipment and technologies”**

**5B072400, 6M072400, 6D072400 - “Technological machines and equipment”**

**5B072700, 6M072700, 6D072700 - “Technology of food products”**

**5B072800, 6M072800, 6D072800 - “Technology of processing products”**

**5B073200, 6M073200, 6D073200 - “Standardization, certification and metrology”**

**5B080600, 6M080600, 6D080600 - “Agrarian Techniques and Technology”**

**5B090100 - “The organization of transportation, movement and transport operation”**

**Field of activity of specialists:** agricultural enterprises of various forms of ownership; agencies of state standardization and certification, metrology; research institutions; enterprises of processing industry; centers for maintenance and repair of machinery (SRT); machine building centers (MBC); grain-collecting station; grain elevators; automobile operating company.

## **POWER FACULTY**

**5B071700, 6M071700, 6D071700 - “Heat Power engineering”**

**5B071800, 6M071800, 6D071800 - “Electrical power engineering”**

**5B071900, 6M071900 - “Radio engineering, electronics and telecommunications”**

**5B081200 - “Power supply of agriculture”**

**Field of activity of specialists:** production units of regional energy companies and interregional electric networks; power economy services; power distributors; conventional thermal power station; telecommunication agencies; Kazakhtelecom.

## **FACULTY OF ECONOMICS**

**5B050600, 6M050600, 6D050600 - “Economy”**

**5B050700, 6M050700, 6D050700 - “Management”**

**5B050800, 6M050800, 6D050800 - “Accounting and Audit”**

**5B050900, 6M050900, 6D050900 - “Finances”**

**5B051100, 6M051100, 6D051100 - “Marketing”**

**Field of activity of specialists:** research institutions; agencies of financial and state control; production associations; firms; enterprises of various forms of ownership; computation centres; budgetary organization; trusts; banks; consortium; companies.

## **INSTITUTE OF QUALIFICATION UPGRADING AND DISTANCE LEARNING**

- Technology of distant learning
- second graduate degree
