INFORMATIONAL LETTER

Dear Colleagues!

"Saken Seifullin Kazakh Agrotechnical University" NC JSC (hereinafter - KazATU) invites to participate **in the International Scientific and Theoretical Conference "SEIFULLIN READINGS - 17: Modern agricultural science: digital transformation "**", dedicated to the 30th anniversary of the **Independence of the Republic of Kazakhstan**", which will be held on **April 28, 2021** (the conference provides only absentee participation).

Traditionally the conference serves as a recognized dialogue platform for reviewing the work of students, undergraduates, doctoral students and researchers.

Work in sections promotes a constructive exchange of views on the most priority areas of scientific research; presentation of own scientific results of young scientists; innovation development, intellectual skills; science popularization among youth.

Scientists, faculty, doctoral, master and bachelor students are invited to participate in the conference.

Materials are accepted until March 31, 2021.
The conference form is in absentia.

The purpose of the conference is the publication of scientific results of scientists on pressing issues of modern science, the exchange of ideas and research experience. The development of creative activity of undergraduates, doctoral students and young scientists, their involvement in solving urgent problems.

Conference working languages: **Kazakh, Russian, English**

The materials of the reports will be posted **in an electronic collection** on the KazATU website in the section "Publications in Scientific Publications" (<http://kazatu.kz>) with the assignment of the international ISBN code.

The conference will be conducted in **the following areas**:

- 1) Actual problems of plants and the use of digital technologies;
- 2) Digital technologies are a driver of transition to sustainable development of forestry and ensuring environmental safety;
- 3) Modern problems and digitalization in veterinary medicine;
- 4) Intensification and digitalization in animal husbandry;
- 5) Applied and basic research in biology and biotechnology;
- 6) The digitalization of the agro-industrial complex is a step in the modern development of hunting management and fisheries;
- 7) Actual issues of technology, quality management and digitalization in the food and processing industry;
- 8) Digital transformation of the agro-industrial complex: technical equipment in the conditions of robotization, digitalization and intelligent agriculture;
- 9) Modern energy problems;
- 10) The role of digital communications in modern society;

- 11) Digital transformation of the agro-industrial complex economy: innovative management methods, analysis and optimization of business processes;
- 12) GIS technologies as an important condition for the digital transformation of land management, cadastre and land monitoring;
- 13) Digital transformation in architecture, urban planning and design;
- 14) Formation of independent Kazakhstan: history, traditions, continuity;
- 15) Problems of language, culture and human values;
- 16) Digital technologies in the study of social and humanitarian disciplines;
- 17) The digital industry is the basis for the dynamic development of modern society;
- 18) Natural and mathematical sciences in the context of STEAM education;
- 19) New technologies in the process of digital transformation of education.

Abstracts and applications for participation (according to appendixes 1,2) must be submitted to **the Organizing Committee**: 010011, office 1304, Department of Science and Innovation Activity, KazATU, 62 Zhenis av., Nur-Sultan. Contacts: **+7 (7172)395-548,310-245, e-mail:conference.katu@gmail.com**

Requirements for acceptance and preparing abstracts:

- abstracts previously not published anywhere, no more than one abstract from one author are accepted for publication; also one scientific adviser can be co-authored in no more than two theses of doctoral, master and bachelor students.
- a list of references is required, including at least one source included in the Web of Science information base (Thomson Reuters publishing house);
- the abstract, including the list of references, should be no more than 4 (full) A4 pages (portrait orientation), typed in the MSWORD editor (2003,2007) in TimesNewRoman, KZTimesNewRoman (12pt), single spacing, margins: top - 2 cm , bottom - 2 cm, left - 3 cm, right - 1.5 cm, with alignment to the width of the line and the mandatory setting of automatic transfer;
- on the first line in the center - the title of the abstract in capital letters in bold, 1 interval later, to the right - the author's initials and surname, position and academic degree (in italics), 1 interval later - the city and name of the organization or educational institution (in italics), the main text starts at 2 intervals with a red line;
- the list of literature is placed at the end of the text and is drawn up in the order of mentioning of sources, links in the text are made in square brackets.

The organizing committee reserves the right to reject abstracts executed in violation of these requirements, not relevant to the conference topics.

To cover organizational and publishing costs, **the registration fee** is:

- 1)for young scientists, doctoral, master and bachelor students of KazATU and schoolchildren in sole authorship - free of charge; co-authored - 1000 tenge;
- 2) for faculty of KazATU - 1000 tenge;
- 3) for teachers, doctoral, master and bachelor students of other universities and employees from other organizations - 2 000 tenge;

The fee is paid by transfer to the account of KazATU with a note "To the conference" Seifullin readings-17 "according to the following requirements:
