SCIENTIFIC QUALIFICATION

Academic degree Candidate of Technical Sciences, specialty 25.00.36 – **Geoecology**

2010: Candidate of Technical Sciences, dissertation on the topic "Theoretical assessment of hydro-meteorological regimes and the ecological state of industrial cities (on the example of the city of Balkhash)

Research area: Mathematical modeling, geoinformation systems

Awards and certificates of honor

Winner of the title "Best University Teacher-2025"

SCIENTIFIC DIRECTION

Participation in the implementation of research within the framework of the state order:

2021-2023: Co-director of the scientific project of the Ministry of Education and Science of the Republic of Kazakhstan No.AP09259657 "Research and development of an automated proctoring system for monitoring students' knowledge in a distance learning environment."

2024-2026: Head of the scientific project of the Ministry of Education and Science of the Republic of Kazakhstan No.AP23486538 "Research and development of an image recognition system in video streams"
