

March 28, 2024 at the Faculty of Economics, Associate Professor of the Department of Economics, Ph.D. Kozhakhmetova A.E. held an open lesson in the discipline "Entrepreneurial Law." The lesson was held in group 07-044-22-04 on the topic: "The meaning and features of the employment contract." During the classes, topical issues on this topic were considered and the legal protection of subjects when concluding employment contracts was analyzed. The lesson was attended by teachers of the Faculty of Economics. Students took an active part in the discussion of this topic. The lesson was held at a fairly high professional level.
