INFORMATION LETTER

NCJSC «S.Seifullin Kazakh Agro Technical Research University» (herein after - S.Seifullin KATRU) invites you to take part in the International scientific and practical conference "Seifullin Readings 20", dedicated to the 130th anniversary of Saken Seifullin, which will take place on October 10, 2024.

According to established tradition, the conference serves as a recognized dialogue platform for reviewing the work of students, master's students, doctoral students and scientists.

Participation in the conference is an excellent opportunity to highlight your scientific work, promoting a constructive exchange of views on priority areas of scientific research, the development of innovations, intellectual skills, and the popularization of science.

To participate students, master's students, doctoral students and scientists are invited to participate in the conference.

Submissions will be accepted until September 30, 2024.

The conference format is online and offline.

The purpose of the conference- public classification of scientific results of students and scientists on current issues of modern sciences, exchange of ideas and research experience. Development of creative activity of students, master's degree students, doctoral students and scientists, their involvement in solving current problems.

Working languages of the conference: Kazakh, Russian, English

The materials of the reports will be posted in an electronic collection on the website of the S.Seifullin KATRU in the section «Science» tab «Proceedings of scientific conferences» with assignment of the international ISBN code.

Main directions of the conference **(those responsible for the work of the sections are presented in Appendix 1):**

1. Modern problems of veterinary safety
2. Current issues in biotechnology and animal husbandry
3. Modern IT solutions and their transformative impact on key areas of human life and activity
4. Modern problems of architecture and planning of populated areas
5. Innovative Educational Practices in Earth Sciences
6. Innovative approaches in crop breeding: adaptation to changing conditions and improving food security
7. Current issues in agronomy
8. Great personalities in historical processes
9. New trends in linguistics and national literature
10. Social and philosophical aspects of studying modern society
11. The world of languages from theory to practice
12. Innovative technologies in forestry and nature management
13. Digital transformation of the agro-industrial complex: technical equipment in the context of robotization, digitalization and intelligent agriculture
14. Modern digital solutions and quality management in the food and processing industry: current aspects of health and healthy nutrition, including children and schoolchildren
15. Digitalization of the agro-industrial complex economy
16. Quality of modern education: priority areas, prospects and development trends
17. Prospects and trends in the development of modern higher education, integration of science and production: innovations, problems, achievements
18. Current issues in energy and automation
19. Modern telecommunication technologies

Abstracts and applications for participation must be submitted in accordance with Appendices 2, 3 to the e-mail addresses of the section secretaries (e-mail and contact information are provided in Appendix 1). Participants must indicate the format of participation in the conference in their applications.

The Department of Science and Innovation is the conference coordinator. Following the conference, the organizing committees (responsible secretaries after the decision to accept articles has been made) provide final abstracts for publication in the collection.

Requirements for the acceptance and design of abstracts:

• UDC;

• abstracts that have not been previously published anywhere are accepted for publication, no more than one abstract from one author;

• a list of references is required, including at least one source included in the Scopus and/or Web of Science information databases;

• the volume of the abstract, including the list of references, should be no more than 4 (full) A4 pages (portrait orientation), typed in the MSWORD editor (2003, 2007) in Times New Roman, KZ Times New Roman font (12pt), single spacing, margins: top - 2 cm, bottom - 2 cm, left - 3 cm, right - 1.5 cm, with alignment by line width and mandatory automatic hyphenation;

• on the first line, centered - the title of the abstract of the report in capital letters in bold, 1 space after, on the right edge - the initials and surname of the author, position and academic degree (in italics), 1 space after - the city and name of the organization or educational institution (in italics), the main text begins after 2 spaces with a new line;

• the list of references is placed at the end of the text and is compiled in the order in which the sources are mentioned; references in the text are presented in square brackets.

The organizing committee reserves the right to reject abstracts that are not prepared in accordance with the specified requirements and do not correspond to the conference topics.

To cover organizational and publishing costs, the registration fee is 3,000 tenge (three thousand tenge).

The fee is paid by transfer to the bank account of the S.Seifullin KATRU with the note “For the conference “Seifullin Readings-20” using the following details:
